

BECOME A SABRE BAND DONOR!

About This Opportunity:

The Streamwood High School Band Program is always looking for local, national, and international sponsors who are willing to help support the growth of our music department. One of the best ways to support the program is through a mutually beneficial fundraiser such as purchasing an advertisement and sponsorship. The Band Department at SHS has many different levels of advertisements and sponsorship available so that you can decide which one will best fit your needs.

While we have listed many ideas below, we are willing to work with you to create a unique opportunity that benefits your business/family as well as our band students.

Every year the SHS Band Department invites parents, community members, and businesses to become a SABRE Band Donor. There are many different price levels available for donors to choose from, in order to encourage as many people to join our yearly list as possible. Furthermore there is a specific reward for each level of donor. At a very minimum, every donor is listed in our concert programs, as well as our website, however the more you donate, the more rewards you receive. Attached is a chart that explains every donor level as well as the rewards associated with each level. If you are interested in becoming a SABRE Band Donor, **please complete the attached form.**
